NORTHWEST SUBURBAN
INTEGRATION SCHOOL DISTRICT
A Global Community Learning and Growing Together

2016 – 2017 College Visits
High School Sign Up Form

Northwest Suburban Integration School District #6078 (NWSISD) is comprised of eight independent school districts which include Anoka-Hennepin, Brooklyn Center, Buffalo-Hanover-Montrose, Elk River, Fridley, Mounds View, Osseo and Rockford.

As a collaborative, NWSISD has worked with the member districts around the common goal of post-secondary preparedness and success. Each year, member district students from high schools and middle schools are provided the opportunity to research potential schools by participating in college visits. College visits offer the college bound student a first-hand look at colleges and universities throughout the state and nearby Midwest area.

By participating in college visits, students of all cultures will find all the information they need in order to gain a better understanding of the services each college provides for the college bound student.

No website, guidebook or testimonial will give students a better feel for a school than a college visit.

- Listed visits are for high school students only and are first come, first served.
- Your maximum number of student participants will vary based on the maximum number of students allowed on each college/career visit. Please limit your group to 20 if a visit calls for 50 or less participants. If additional spaces are available, more students will be allowed.
- Please generate your own permission slips according to your building guidelines.
- Groups signing up to attend visits <u>must</u> provide chaperones and organize transportation for their group. A ratio of one chaperone to every ten students is recommended.
- If more than one district attends a college visit, fees paid for transportation may be reimbursed by the Minnesota Department of Education. You will need to fill out the "**Transportation to Inter-district Desegregation or Integration Schools or Programs**" form to receive reimbursement.
- In order to register your students for any of the following visits, you will need to complete and send this **COMPLETED** form to J. Ayenna Davis at jdavis@nws.k12.mn.us or via fax at 763-450-1348. Spaces will not be guaranteed until this form is received. Completed student lists (name, grade, and ethnicity) are due two weeks prior to the scheduled visit. Due to the number of cancellations last year, we will be firm on the two week deadline. If completed lists are not received two weeks prior to a requested visit, spaces will be given to groups on the waiting list. Per MSU Mankato, forms/lists for Mankato visits are due one month in advance.
- If you are interested in signing your group up for more than one college visit, you will need to complete a separate form for each visit. Feel free to contact me via email or by phone at 763-450-1331 should you have questions.
